

Are you in control or reacting?

CFO Advisory @ Fortlane

Volatility. Regulation. Systems. Expectations.

How do you balance running the business and transforming it?

RUN THE BUSINESS

Operations

- Finance backbone
- Liquidity and resilience

Steering

- Performance management
- Planning & risk transparency

CHANGE THE BUSINESS

Strategy

- Capital allocation
- Sustainable value creation

Transformation

- Performance stabilization
- Data-enabled decision-making

How do you drive long-term value while managing change and complexity?

- 1** Is your **strategic direction** clear - even in **complex times**?
- 2** Do you have the **right steering mechanisms** to navigate today's **challenges**?
- 3** Are you **continuously improving performance** with strong bottom-up **accountability**?

CFO Advisory @ Fortlane

OPERATIONS

Stabilizing liquidity and core processes

STEERING

Creating transparency for solid decisions

STRATEGY

Developing equity stories & supporting M&A transactions

TRANSFORMATION

Interim and turnaround management
